Dear Greg:

What a SUCCESS – and we couldn't have done it without YOU!

You have made an amazing difference in the lives of Halton students. Thanks to the support of Maple Hill Tree Services, and the wooden coffee table, cutting boards and butcher blocks that were donated, the Halton Learning Foundation was able to raise more than \$10,000 for students at our *Imagine the Possibilities Benefit Bash's* Silent Auction!

Because of your support, more students will be able to imagine greater possibilities for their lives. Your dedication to helping eliminate financial barriers to education in our community is truly inspiring.

HLF's programs have changed the lives of many students for the better. With the help of supporters like you we will continue to see improvements in students' access to educational programming, extra-curricular opportunities, school events, and mental health support. The HLF is extremely grateful for your leadership in our community – our students are lucky to have you in their corner.

Sincerely,

Sarah Pollock, Development Officer
